Dear Daughter-

Enclosed please find the Reply of Mrs Henry letter to mine which I have just this moment received - also a piece of silk for my new waist: which cost 38 - c per yd - and it takes less than four yds - she cut it out last night and we had the pleasure of entertaining over night Atty - J. N. Ramsey of Cincinnatti - who is in this city on business and was anxious to see us all before he left - he is indeed fine appearing man and says Ida is well their baby is three years old he brought the picture of her with him. And left this and Idas with us - he wished he could have met you -

and hoped if any of us ever came to their city we would come to see them their address is Mt. Echo Price Hill. Elboro. Ave. cars Cincin. He said Lemuel H. is married and lives in Ill. near Franks

L. C called yesterday to see us was disappointed in finding you gone they are well and like their new home. their address is 80 Scott St. West Side. He said he had seen Lawyer Woolf recently and he said to tell me if I knew of L. S. H.'s location he would bring him to terms now for he think he now has something. Lawyer Ramsey and I talked the matter over and he too will assist in finding him and I wrote to Woolf this afternoon stating the facts but I dare not tell Katie nor dont you mention it to her Jennie Ramsey called on Archie and Sarah.

We received your delivery letter sunday morning and I was so sorry and grieved over the neglected baggage. that I mind untill Katie got it started next morning I do hope you received it all right they paid back the extra charges that we paid on it and it did not cost any thing to forward the baggage to Pittsburgh.

I received the spectacts yesterday but I dont like them as well as my old ones so I will exchange them. The weather turned very very cold yesterday and O how stormy and cold it is to day. Mr Ramsey returns to Cincin to night I sent the package to Mrs Clements on Sat. and wrote to Mrs H at the same time - Let us hear from you soon I hope you are well Remember me to Mr & Mrs Evans Eddie Nevill and Albert are at home this winter Lewis Hartsough visited Ramseys recently he has a new Station or position down there some where

Excuse writing as I am in a hurry

With Love I close

Dear Mrs. Hartzell

I thank you for letter, and enclosed P.O. order, for ten Dollars. ($10) recd this morning – & I am very glad to know that both you and Edith have this off your minds, where I know it has been pressing much more heavily, than it has upon mine, tho no more so, I am sure, than it would had I been the borrower – for all three of us, I know, have a horror of debt - If only everybody felt so, how many fewer debts there would be in the world!

I am so glad to hear how busy the dear girl has been, if only she does not work beyond her strength - and am glad for all the poor sick ones who have had her kind and faithful care - I will try to write to her soon, but am so much better this winter, that I am just as busy as I can be, and do not find much time for other than real business letters - I am sorry she did not have a longer rest at home, for I fear she needs it - but there seems so much sickness everywhere this winter, that I guess the nurses are all kept very busy - I am thankful to say that in our own home, we have had to need, so far, to call for one - for we have had no serious illness - Mercifully, I was preserved from serious injury, when, a few wks. ago I fell all the way down stairs, from 2nd to 1st floor! Of course I was bruised and shocked, but am over it now - and was not really laid up with it at all - but managed to creep around with my bruises and bumps! It was surely only the care of my Heavenly Father, which prevented my having been killed, or awfully injured.

I am glad to hear that yours

daughter Katie is well – E. was so anxious about her, when I last heard – and as for your daughter Jennie, she seems to have "turned over a new leaf", as to health, and I am sure she must be enjoying the privileges of the Normal Uni: but am sorry the Cough still holds fast – I trust she may soon lose it –

I am glad too, to hear that you are feeling better – and do trust the long sick time thro. which you all passed, is over for a long, long time – I enclose receipt for the money wh. kindly enclose to Edith, with my warm love, and thanks. – Dear girl, how I should love to see her.

Yours sincerely J. H. Henry

(Mrs J. Charlton Henry)
